Notes:

- Some legend symbols are enlarged for easier identification.
 - Aerial photography is from the most recent available database (Maxar, 2023-2024).
 - Sensitive cultural resource data are not shown on this map as these data are not to be reproduced, distributed, or released to the public.
 - Data are for display purposes only. All features and boundaries have been approximated based on information gathered from review of public resources and from field reconnaissance. Railroad Commission of Texas GIS data was last updated November 2024.
 - This map contains county tax office and appraisal district data. Property data prepared by Integra Realty Resources with note location furnished by Halff Environmental Team. The county boundary line within the study area is marked as a tract boundary to reflect the associated county tax records for the purpose of parcel numbering within this map.
 - Legend items indicated by (*) represent features that were researched, verified, and recorded but are otherwise beyond the map extents, and cannot be located on the map.
