- Study Area

N W E S

0 0.25 0.5 Miles

0 1,200 2,400 4,800 Feet (1" = 1,200')

Notes:

1. Some legend symbols are enlarged for easier identification.
2. Aerial photography is from ESRI World Imagery, 2025 and Nearmap, 2025.
3. Sensitive cultural resource data are not shown on this map as these data are not to be reproduced, distributed, or released to the public.
4. Data are for display purposes only. All features and boundaries have been approximated based on information gathered from review of public resources and from field reconnaissance.
5. Property lines shown have been obtained by current county tax rolls,deeds research, and field survey.
6. Legend items indicated by an asterisk (*) represent features that were researched, verified, and recorded but are otherwise beyond the map extents and cannot be located on the map.
7. Due to potential horizontal inaccuracies of the aerial photography and data utilized, all habitable structures within 320 feet have been identified.

Date Plotted: 6/9/2026

Date Revised: 6/9/2026
